JANUARY 2020 NEWSLETTER

Welcome to the 2020 Season and like every year there will be a number of challenges to overcome before the racing begins. I will now give you a brief rundown on what has happened during the first two months.

The birds have been broken into the loft with a small number lost which is normal. We recently completed the vaccination for PMV and pigeon pox. We thank Jim Milnthorpe, Dave Brokensha and Brian Bacon for their assistance with this task.

The location of the entry to the loft has been moved to allow greater flexibility. This was done before the birds were let out for the first time so that the birds would know right from the start where to go out and come back into the loft.

The SAHPA have released a draft 2020 Race Program which, if unchanged, would result in our races being from Hawker, Lyndhurst, Marree, Coober Pedy and Marla. The total distance of these five races is 3,023 kilometres. We will announce our program at a later date. The first race is likely to be late June.

The next newsletter will not be until **April** as there is usually not much to report during the next couple of months.

APC Committee
Brian, Penny and Rolf
