APRIL 2020 NEWSLETTER

Here is where we are up to at the moment:-

1. The birds are in good health and in recent weeks the majority have started to work around the loft. The rest should catch up in the next week or two. As the weather cools down and their fitness improves so will their work around the loft.
2. Brian has fitted the ETS Rings to all the birds but we have not yet assigned the rings to the birds. We expect to do this some time next month. After this we will send members a list of the birds still in the loft. Allocation of the spare birds will be delayed until a later date.
3. The SAHPA website is being checked from time to time to see what they are doing this year. The SAHPA will need some current Government restrictions relaxed before they will be able to race so it could be some time before they make a decision on this season.

When we have further information we will let you know. The next newsletter will be after we assign the ETS Rings to the birds.

APC Committee

Brian, Penny and Rolf
