HAWKER 2020 NEWSLETTER

The birds in our second race were released from Hawker at 8:00 am Sunday along with 1910 SAHPA birds. The birds left after 4 minutes but returned before finally leaving again in one batch after 10 minutes. The weather at the race point was fine and clear with a light SW wind. The wind on the way home was forecast to be up to 20 k/h. At the loft there was a 14 k/h southerly with a few clouds. This turned out to be a hard race of a little over 5 hours with a winning velocity of 1007.091 m/m.

The winner was **Glasgow & Lamont** a little over a minute in front of **Ian Sanders** with **Malone & Lindsay** close up third. The winner of the SAHPA race had a velocity of 1011.514 m/m with only 2 birds in front of our winner. Congratulations to the winners and to all of the other prize winners.

The winner was bred by Don Lamont. The sire is from old Maryborough blood bred by Neville Hanna. The dam is a mixture of old Australian bloodlines. Tony Glasgow has told us that they are very happy getting a top pigeon result after the New Years Eve bushfires eliminated Don's race loft and some stock birds and all of his stock birds.

The sire of second is mostly Lu Bros, Gaby Vandenabeele. The dam is a half brother-sister mating of Janssen by Scrumpy Van loon and Janssen by Jimmy Axon (a sister of 1st APC Stirling North 2017).

The sire of third was bred by David Tester from Van Loons from the late Peter Matthews. The dam that finished 27th Ace Pigeon in the 2016 GC50000 is from Goodger by Vin Blanden bloodlines.

Our next race is from Marree on 1st August.

Registrations and deposits for the 2021 season are being received. **The entry fee is \$1,540 including GST with the deposit \$540.**
