MARCH 2024 NEWSLETTER

For the 2024 Season we have 119 teams. The first three months have seen the usual challenges with the latest goshawk attacks over the last couple of weeks. The birds are still going through the moult but should look great by the end of the month. We wish to thank Brian Bacon and David Brokensha for their assistance once again this year with the vaccination of the birds. Work around the loft will now step up in the coming weeks as we get ready for the final stage before racing begins.
